

FEMALE LEADERSHIP MASTERCLASS

6 months of integrated leadership training
for future-oriented working

Course dates 2025/26:
7 July to 11 January

Registration deadline:
10 June 2025

WHAT IS THE FEMALE LEADERSHIP MASTERCLASS?

The Female Leadership Masterclass is a **6-month online development program for female managers and key players**. What makes our integrated training special is that we combine digital tools, live formats and in-person meetings: with impulse sessions, personal exchange of ideas in mastermind groups, resonance rooms, and digital workshops, we support the participants in the implementation of change processes and concrete projects in everyday work life and in their personal further development. Academy Mentor Vera Strauch guides participants with her concrete expertise in **corporate leadership, management and psychology**.

WHO SHOULD GO TO THE MASTERCLASS?

Exclusively graduates of the Female Leadership Program may participate.

WHAT MAKES US US

SAFE SPACES FOR WOMEN IN LEADERSHIP

- **We make leadership and growth appealing!**
Taking responsibility, growing and shaping things is fun. We are certain of this. And our participants profit from this approach.
- **Shared power is a superpower!**
We create strong networks and a community of people who support and elevate each other. And who move something - for themselves and for others.
- **Taking down barriers!**
This is part of our mission: not just in the heads taking down barriers while also broadening the access to opportunities.
- **Think big and take action!**
Strategic thinking and planning are the foundations of our work in the Masterclass. Innovative spirit and creativity get just as much room as coupling it with feasibility and concrete milestones in implementation.
